

## How to setup a ZapitSMS Account

Visit [www.zapitSMS.com.au](http://www.zapitSMS.com.au) and click on "Free Trial".

Complete the New Account form and click on "Create Account" button.

You will see a message informing you that your details have been recorded successfully and you will receive an email confirmation to your email address.

Check your inbox for the ZapitSMS confirmation email and click on the confirmation link to confirm your email address.

A new browser window will now open showing that your email address has been confirmed successfully. You are now logged in to your ZapitSMS Administration account.

To receive FREE credits, you will need to confirm your mobile number. Enter your mobile number (in international format) and click on “Send Confirmation Code”.

The screenshot shows the ZapitSMS administration interface. At the top, the logo 'ZapitSMS' is displayed with the tagline 'PC to mobile communications'. Below the logo, there is a navigation bar with links for Home, Blog, Contact Us, Support, and Logoff. A tip for both Web and Client users is visible. The main content area shows a welcome message for 'Customer Name to ZapitSMS Administration website' and 'Account Name : My Company'. It indicates that the account is active and provides statistics for SMS sent today, daily limit, remaining credits, and free credits. A congratulatory message states: 'Congratulations, Your Account is now Active and you are logged in. To receive your FREE credits please confirm your mobile number.' Below this, a note mentions that the number of free credits varies by country. The 'Mobile Confirmation Form' is the central focus, featuring a 'Mobile Number' field with the value '61405000000', a 'Send Confirmation Code' button, and an 'Enter Confirmation Code' field. A 'Confirm Mobile' button is located below the code field. A note at the bottom of the form explains that the number of free credits is country-specific and that the credits expire within one month of allocation. A black arrow points to the 'Send Confirmation Code' button.

You should see a message informing you that confirmation code has been sent to your mobile phone.

You will receive a code via text message to your mobile phone. Please enter the code in “Enter Confirmation Code” box and click on “Confirm Mobile” button.

This is a close-up view of the 'Mobile Confirmation Form'. The 'Mobile Number' field contains '61405000000'. Below it, there is a 'Send Confirmation Code' button. The 'Enter Confirmation Code' field now contains the code '78571'. Below this field is the 'Confirm Mobile' button. A black arrow points to the 'Confirm Mobile' button. The same note about free credits and their expiration is visible at the bottom of the form.

On successful confirmation of your mobile phone number you will receive a set number of FREE credits.
